Kayla Prieto	carterprieto@yahoo.com	Violin
Ida Thrasher	ithrasher@comcast.net	Photography & Yearbook

Heartwood Christian Academy is a ministry of Oak Park Church and serves as a "full service" church school for home-educated students. HCA encourages our families in high academic standards and strong traditional family values. Our families are equipped to raise godly leaders who will impact society in a positive manner.

Our Administrator Bonita Harris and Assistant Administrator Terina Mounce maintain the basic premise that Heartwood Christian Academy is a ministry. They seek to fulfill their God-ordained calling to provide opportunities for home educated students through activities and especially co-op classes.

Co-op classes are not limited to HCA enrolled students but are available to all home educated students in the area.

Semester or yearly tuition is set by, and payable to, the teacher and can be paid monthly. Tuition is typically \$30 - \$45 per month. Classes may be a full year or one semester, and clubs may meet one or two times per month. Please contact teachers for more info, placement and costs.

Clubs have no tuition, but a one-time HCA registration fee, \$25 in Club Dues; in addition a supply fee may be set by the club leader.

Most classes require homework each week. The classes are to enhance the home program, not replace it. For example science classes offer lab opportunities to augment home study.

High School classes are credit worthy and determined by the teacher.
