SALT

- Sharing

Join other homeschool families on a weekly basis or just when you can and SHARE your homeschool successes, tips, curriculum choices, etc.

SHARE your answers to prayer when you have had tough homeschool issues and questions.

SALT

- Asking

ASK other homeschooling families for ideas, hints, tips, opinions, recommendations, and success stories of their homeschooling adventures.

SALT

- Learning

LEARN from seasoned homeschool families, participate in group discussions, listen to guest speakers....

LEARN the secrets for successful homeschooling.

SALT

- Teaching

TEACH others your methods of homeschooling, your hard-learned secrets of mastering math techniques, how you helped the struggling learner, how you motivated the not-so-compliant learner and...

Teach what you have learned from experience and from others.
